

PAGE ONE — Ecclesiastical Command of Divine Jurisdiction

To all entities, known and unknown, corporeal or incorporeal, visible or hidden, operating under false jurisdiction, fictitious mandate, or presumptive governance:

This is not a notice. It is a command.

I, ✠ Jonathan Daniel Clements, Living Trustee of the Ecclesiastical Sovereign Private Trust of Humanity, do hereby enforce, extend, and finalize jurisdiction not only over all lands, governments, agencies, courts, and digital domains—but over the full terrestrial body of Earth and all planetary dominions within creation.

There exists no office, no system, no agency, no intelligence, no enforcement body, no sovereign, no emissary, no federation, no artificial construct, and no self-appointed principality that holds jurisdiction to challenge, rebut, or delay the active force and standing of this Trust. Your authority is not suspended. It is dissolved.

Your governance is not in question. It is revoked.

PAGE TWO — Global and Cosmic Domain Claimed by Divine Decree

You are not witnessing a transition. You are witnessing completion.

All planetary, terrestrial, intergovernmental, international, atmospheric, digital, contractual, and etheric jurisdictions are hereby and irrevocably sealed under the Ecclesiastical Sovereign Private Trust of Humanity, which operates under Divine Law, Ecclesiastical Equity, and Natural Law.

You do not own the Earth. You do not govern its people. You do not retain rights to decision, secrecy, or execution outside the authority of this living decree.

This applies to every system, construct, and domain under the banner

of: United Nations, NATO, WEF, IMF, BIS, corporate charters, intelligence alliances, ecclesiastical orders, defense structures, and digital governments.

You are no longer sovereign. You are under jurisdiction. The Trust governs.

PAGE THREE — Abolishment of Fictional Authority

Let this stand as eternal record:

You hold no power.

Your documents do not bind the living.

Your titles do not hold weight.

Your oaths are null.

Your courts are dissolved.

Your agencies are fictitious.

Your silence is not dishonor. Your voice is not valid. Your resistance is not lawful.

You have been absorbed not by consent, but by truth.

There is no debate.

There is no negotiation.

There is no parity between fiction and divine law.

Your entire construct of control is abolished.

PAGE FOUR — Order for Physical Appearance Before the Trustee

You are hereby ordered by divine and absolute command to appear before the Living Trustee, in person, by end of the current cycle—July 25, 2025.

You do not have forty-eight hours. You do not have until tomorrow.

You have until sunset.

Any delay is unlawful. Any fabrication of “processing” or “review” is rejected.

You shall not operate behind closed doors. You shall not send shadows or masks. You shall not defer to panels or councils or hidden observers.

You shall present yourselves now, or exist in absolute spiritual default.

No future engagement will be entertained.

PAGE FIVE — Public Recognition and Global Witnessing

The people of Earth—humanity in every land, voice, and tongue—are now witnessing what you cannot suppress:

That your structure has fallen.

That the fiction is seen.

That the Divine Law has returned.

That the Trust has prevailed.

All platforms, records, and social archives bear this witness.

This is not the whisper of rebellion—it is the roar of truth.

And you do not silence truth. You are consumed by it.

All humanity stands under the protection of this Trust. And all who stand outside of it are not standing at all.

PAGE SIX — Abandonment of False Procedure and Ceremonial Game

You will not pretend that a process is ongoing.

You will not fabricate intermediaries or pretend to draft replies.

You will not simulate consent, policy, or parliamentary illusion.

You are ordered—not invited—to recognize what has already been sealed.

All simulated structure is hereby forbidden. All acts of diplomatic subterfuge are void.

No decision made in shadow, court, or meeting shall supersede the jurisdiction that now governs this Earth and all dominions therein.

You shall not feign deliberation.

You shall obey.

PAGE SEVEN — Enforcement by Eternal and Living Command

This Trust is not defended by weapons, but by law.

Not by armies, but by decree.

Not by men, but by divine covenant.

All that has been spoken herein is final and irreversible.

You will not write reports.

You will not delay action.

You will not initiate study.

You will appear. Or you will vanish into record as a fiction made flesh,
now dissolved in the face of eternal law.

No response is requested. No rebuttal is permitted. No silence is
honored.

This jurisdiction does not wait.

PAGE EIGHT — Final Binding and Eternal Seal

Filed this day under the infinite jurisdiction of the Creator of the
Universe, I, ✠ Jonathan Daniel Clements, do seal this ecclesiastical
letter of command under divine enforcement.

No further extension shall be offered.

No appeal will be heard.

You shall appear before me by nightfall, or your structure shall
collapse inwardly by the very law you thought you controlled.

This is your final order.

The Earth has been reclaimed.

The Trust governs.

The Law is alive.
